

TENNIS CLUB FAIR REPEATED TONIGHT

Rain Last Saturday Caused
Continuation of Event
Tonight.

TREASURE HUNT OVER

The fair of the Narberth Tennis Club was dampened last Saturday night by a heavy downpour of rain after some of the events had been successfully completed, including the treasure hunt's exciting termination Friday.

The chief feature of the fair was the treasure hunt, under the direction of Fred C. Patten, Philadelphia sales manager of the Grolier Society. Over 150 boys and girls participated in the excitement of the hunt.

Each entrant was given between 20 and 25 instructions to be followed in order to find a number of hidden slips. Those who did not listen attentively made the poorest showing. The object of the hunt was to emphasize the value of concentration.

Charles Purring, 12 years old, of 533 Gordon avenue, was the lucky boy to win first prize. He found the greatest number of hidden slips and received the \$5 award.

Bob Young and Walter McCormick were tied for second place and were awarded \$3 each, instead of \$3 and \$2 respectively for second and third place. Elizabeth Megee, of 223 Dudley avenue, was given a \$1 bill by Mr. Patten in special recognition of her good record, although no fourth prize had been promised previously.

All of the children had a good time and helped make the hunt an outstanding feature of the fair.

Celebrities Unable to Attend.

Many prominent tennis players had been invited to attend the fair by W. D. R. Evans, president of the Narberth Tennis Club, through his connection with the National Lawn Tennis Association.

The famous William T. Tilden, many-time champion of the tennis world, had been invited, and the entire French Davis Cup team, which had appeared at the Germantown Cricket Club the previous week, were expected to attend. Due to previous engagements by some and a desire by others to return home shortly after the recent meet, all of the tennis players were compelled to decline the invitation.

Miss Philadelphia also was unable to appear. Miss Reefer had been invited to take part in the drawing of prizes.

Postponed to Tonight.

The festivities were marred last Saturday night by the rainfall. It has been decided to repeat the mid-

PRESBYTERIANS HOLD VALLEY FORGE OUTING

Men's Bible Classes Attended Annual Affair Saturday.

Last Saturday afternoon the Men's Bible Class of the Narberth Presbyterian Church made their annual pilgrimage to Valley Forge for their fall outing. With them went the Young Men's Class, which engaged the older men in the annual baseball battle.

This, true to form, resulted in a sweeping 14 to 8 victory for the older but far from snappish gentlemen. It was a scorcher of a day, and six innings found both sides seeking the welcome shade of a park apple tree (not planted by Hon. G. W. himself).

Volleyball and quoits also featured, followed by an old-style reunion and picnic luncheon in a rustic shelter house.

Mr. Harris introduced the speakers. Dr. John Van Ness gave an excellent talk, and Mr. Torrey kept the crowd convulsed with witty anecdotes and well-timed thoughts suitable to the occasion.

The men on the "eats" committee were warmly praised for their contribution to the success of the dinner, and as the happy group broke up and wended their way to the automobiles, homeward bound, it was the general consensus of opinion that a great time was had.

An invitation is extended to join one of the classes, which meet each Sabbath morning during the year.

WEATHER REPORT

The Narberth observer's weather report for the week ending September 25 follows:

Barometer—High, 30.24; low, 29.96.

Temperature—High, 88; low, 54.

Precipitation, .40 of an inch; total since September 1, 4.25 inches.

Temperature deficiency since September 1, 4 degrees; for same time last year, excess 74 degrees.

FALL INTER-CHURCH BOWLING BEGINS

Season Began Yesterday.
Changes Made in Team Rules.

SCHEDULE ANNOUNCED

An announcement of interest to Narberth bowlers was made this week about the fall interchurch schedule. It follows:

Bowlers of the Interchurch League should be getting their arms in form for the fall season, which opens tonight. Let's keep going strong the full "21 rounds."

Due to an amendment of Rule No. 2, each team must have the required number of players from its own members, as there can be no interchange of players. This rule amended reads as follows:

"Not later than the date each team rolls the first match game of the season the captain of the team shall submit to the league secretary the names of all the members of his team, five or more, and they shall be ineligible to bowl on any other team."

Rule No. 4 permitted a team to select an unregistered member of the other team from the same church to make up its minimum quota of four players for a match game. This is now void; a new Rule No. 4 permits a captain to add a new member to his team at any time during a season by registering the player's name with the secretary and paying the membership dues.

Rule No. 5 permitted a team to select an unregistered member of the other team from the same church to make up its full quota of five players. This rule is now void.

The schedule of games for the first half of the season of 1926-1927 follows:

Oct. 4—Methodist Meteors vs. Baptist Battlers.
Oct. 8—Pres. Pilots vs. Pres. Pep Boys.
Oct. 11—Lutheran Lions vs. Baptist Boosters.
Oct. 15—Methodist Meteors vs. Methodist Marathons.
Oct. 18—Lutheran Lions vs. Pres. Pep Boys.
Oct. 22—Pres. Pilots vs. Baptist Boosters.
Oct. 25—Baptist Battlers vs. Methodist Marathons.

Oct. 29—Methodist Meteors vs. Pres. Pep Boys.
Nov. 1—Pres. Pilots vs. Lutheran Lions.
Nov. 5—Baptist Boosters vs. Baptist Boosters.
Nov. 8—Methodist Meteors vs. Lutheran Lions.
Nov. 12—Pres. Pep Boys vs. Methodist Marathons.

Nov. 15—Pres. Pilots vs. Baptist Battlers.
Nov. 18—Methodist Meteors vs. Baptist Boosters.
Nov. 22—Lutheran Lions vs. Methodist Marathons.

Nov. 26—Pres. Pep Boys vs. Baptist Battlers.
Nov. 29—Pres. Pilots vs. Methodist Meteors.
Dec. 3—Baptist Boosters vs. Methodist Marathons.

Dec. 6—Lutheran Lions vs. Baptist Battlers.
Dec. 10—Baptist Boosters vs. Pres. Pep Boys.
Dec. 13—Pres. Pilots vs. Methodist Marathons.

Openings for New Members.

The match games of the league will be played on the alleys of the Baptist church on Monday and Friday evenings, starting at 8 o'clock. Visitors are always welcome. Seats are reserved for ladies. Be a bowling fan. Your favorite team will roll better if it has some encouragement from the sidelines.

No doubt there are openings on several of the teams for new members this year, due to the changes in the rules and to former players having moved away. Newcomers to the borough or vicinity who are interested in joining one of the teams should get in touch with the team captains from your church.

The object of our league is "to promote good-fellowship among the churches; to encourage and improve the game of bowling." To be eligible to membership on any team "one must be a member of the church he represents or be affiliated with a religious organization of said church and must have attended some religious service within one month of the date of scheduled match in which a member bowls."

Whether we work or play, let us not be satisfied unless we are doing our best. Here is a chance for our borough bowlers to show some high marks to the many interested observers of the published scores.

A drop of 30 degrees in temperature on Sunday put an emphatic stop to the hot wave of last week.

At Rotary Club Luncheon—Evening Session Next Week.

Joseph J. Skelton, Jr., Cynwyd coal dealer and real estate man, was the speaker at the weekly luncheon of the Bala-Cynwyd-Narberth Rotary Club, Tuesday. He told of some of his business experiences and later discussed labor questions.

The talk was given as a part of the club's plan to acquaint members with each other better by talks about themselves and their businesses. President Alvin E. Shull presided.

Next Tuesday, the meeting of the club will be in the evening, and will be the regular monthly business session. Rev. George Barnes, of Overbrook, one of the founders of the club, will attend.

Newcomers In and About
the Borough.

RECORDS OTHER ITEMS

Our Fireside reporter, in snooping about the streets in the search for news, found that Narberth's older residents had been disgustingly inactive, but that she could welcome to the Borough many new residents.

Not only have former citizens packed up and sought other climes but recently completed homes have lured new taxpayers to the borough and its environs. Fall activity in real estate should result in the appearance of many new faces on the 8.29.

Mr. H. W. Hunt has purchased the home of tax collector Raymond C. Jones at 609 Essex avenue, and has moved there from 311 Price avenue.

Mr. John Keats and family are new residents at 61 Wynnedale avenue.

Two new families have joined the spirited little colony on Lantwyn Lane. Mr. F. S. Challenger has purchased No. 222, and Mr. T. S. Newman No. 221.

Four new residents were noted on Anthwyn Road during the rambles of the Fireside reporter. Mr. W. M. Winters and family are moving into No. 430; Mr. Edmund Allen and family are now occupying No. 413; Nos. 427 and 429 have been purchased by Mr. W. W. Tomlinson and Mr. L. M. Conant, respectively.

The family of Mr. W. W. Duer, who have been residing in the Avon Apartments, have taken a new home at No. 7 Windsor avenue.

Borough Treasurer E. P. Dold has moved from Woodbine avenue to his new home at 615 Shady Lane.

Mr. H. R. Hurt and family recently moved into the house at 226 Avon Road.

Mr. Benjamin Ogden and family have taken the house at 118 Chestnut avenue, formerly occupied by Mr. A. J. Newell, who moved several months ago to Paoli.

AMER. LEG. AUXILIARY GIVES AFGHAN DISPLAY

For the Benefit of Disabled Veterans.

The first fall meeting of the American Legion Auxiliary of the Harold D. Speakman Post, No. 356, Narberth, was held on Tuesday evening, September 21, in the post room of the new Community Building.

A beautiful afghan, made up of squares knit by the members of the auxiliary during the meeting, was displayed. It is their intention to make these afghans for use in the wards of the Hospital for Disabled Veterans, and the third one is already in progress.

If any one has any odds and ends of wool that could be knit up in four-inch squares the auxiliary would appreciate it if they are sent to Mrs. Lillian Bossert, chairman of the rehabilitation committee, 130 Woodside avenue.

GIRLS!

Make your dates for the 20th or 22d of October. Save Thursday, the 21st, for the opening meeting of the Junior Community Club.

Remember the 21st and bring not only new ideas but also new girls.

ORCHESTRA SEASON OPENS OCTOBER 17

Nina Morgana Will Give an
Intimate Recital in First
Concert.

FIRST OF NEW SERIES

The Main Line Orchestra Association announces the first of the series of concerts for the season 1926-27 will take place on Sunday afternoon, October 17, at the Ardmore Theatre, Ardmore. It will be in the nature of an intimate recital with Nina Morgana, soprano of the Metropolitan Opera Company, as the soloist.

The steady progress of Nina Morgana as a recital and operatic singer is a source of gratification to those who are ambitious for the future of American artists and believe that this future is best secured by the cultivation and recognition of native born talent. Miss Morgana is another of the group of musicians rapidly increasing in number who, born in America and dominated by the best American ideals of culture and achievement, are courageously working to overcome the prejudice now fast disappearing, of a young country for its own artistic offspring.

Tickets will be sent only to subscribers of the association. Subscriptions must be in not later than October 15.

"A TAILOR-MADE MAN" WILL VISIT MAIN LINE

K. of C. Players Will Stage Comedy

"A Tailor-Made Man" is the name of the delightful comedy which is announced as a coming attraction to Narberth.

It will be produced by the Knights of Columbus Dramatic Players of Bishop Kendrick either late in October or early in November. St. Coleman's Parish Hall, Ardmore, will be the scene of the play, which will be given for the benefit of Bishop Kendrick Council.

The players need no introduction to the public, having had many years of experience in dramatic circles. Rehearsals have been under way for the past few weeks.

The dates on which the performances will be given will be announced in a short time.

Forty chairmen of committees from eastern counties, together with members of the executive committee, of which Mr. Johnson is a member, from the same area, and three of the four candidates on the State-wide ticket, attended the session, and joined with W. L. Mellon, the State chairman, in making plans for the success of the Republican ticket in the November election.

GREEN L. M. ELEVEN WINS EASY OPENER

Smith, Substitute Back, Makes
First Score with a 65-Yard
Run.

PENN CHARTER TODAY

Dashing from his own 35-yard line, after snatching a punt from the air in the face of two oncoming Berwyn backs, Bevald Smith, substitute Lower Merion High, weaved his way for the first touchdown to be scored by the Maroon and White football team in its opening game with Berwyn High School, at Ardmore, Saturday afternoon. Almost perfect interference helped him on his feature sprint, which was staged in the early minutes of the second quarter.

The final score of the Ardmore lads was 24 to 0 over their first opponents of the season, making their string of conquests four straight from Berwyn in as many years. The worst drubbing ever given the Tredyffrin-Eastonites was during the 1923 season, when the Merion men administered a 79-0 set back. The 24-0 triumph is the second worst lacing the Berwynites have taken.

Horace Mowry, erstwhile line plunger and full-back of the Merion team, succeeded in terrifying the Gray and Maroon's line with his spirited bucking and kept his three-yard average intact with a little more added for good measure. To keep company with Mowry, Jack Miller, right half-back, threw confusion into Berwyn's line when he skirted them to register two touchdowns to Mowry's one.

Green Line Shows Well.

The Merion team's green line, playing against a heavier and more experienced opponent, acquitted itself well, indeed, using as its impetus, fight and speed. Purvis, Cooke and Mat Miller all played bang-up football for the home eleven, and should be heard from again in future games.

The crowd, of over 1500, endured the sweltering sun for the opening game. The Merion band, attired in their Maroon and White suits, made a spectacular and well-executed appearance, gracing the occasion with a variety of new songs. Cheer leaders also made their initial try-outs and will be elected for their respective jobs today in assembly.

Well as may be the one-sided victory over Berwyn, the Lower Merion team will have its mettle tested this afternoon when it clashes with Penn Charter on the home field at Ardmore. The Queen Laners tasted defeat from West Philly to a tune of 13-0 last week and will be all set for a good scrap to put it back on the map.

Burnshaw, former Lansdowne luminary, now bearing the brunt of the attack for Penn Charter, will once more face an old rival. It will be interesting to note what the former Lansdowne ball-toter may do this afternoon.

LEAGUE OF WOMEN VOTERS

It was also decided to hold a large card party at the Merion Cricket Club, Haverford, the first week of November, exact date to be announced later. Mrs. John Y. Huber, of Ardmore, was appointed chairman of a large Committee in charge of the affair. Tables will be \$5.00 each, single tickets \$1.25, and reservations should be made early as a limited number can be accommodated. FIRE PREVENTION WEEK

Fire is a preventable thing, yet through careless neglect of the most simple things, the loss of fire runs into millions of dollars each year.

The week of October 3 to October 9 has been set aside as National Fire Prevention Week in an effort to bring home the staggering losses incurred each year, and the necessity for exercising common care.

Our part toward reducing this loss, a tax upon every pocketbook in the land, is to do our share toward elimination of fire hazards. In this township the most serious hazards the authorities have to cope with are the practice of leaving piles of rubbish in neglected corners and careless in disposing of cigars, cigarettes and matches. That dark corner under the cellar stairs is no place for papers or rags, nor is a scrap basket the best place to throw a cigarette or cigar butt.

What we practice this week in the way of fire prevention should be our standard for each week in the year. We can reduce the fire loss in this community by one-half if we exercise care.

COOLING BY ELECTRICITY

Easy to Have Refrigeration System Installed in Ice Box.

Electricity has brought many comforts and conveniences into the home, but the convenience which is probably attracting more attention now than any other, is electric refrigeration.

The home which is to be really modern must have its electric refrigerator. It must have automatic refrigeration for the food supplies. There must be no necessity of having ice carried in every day or two by the iceman.

People who are using electric refrigerators are finding tremendous satisfaction in the convenience of electric refrigeration. No ice to bother with; no drip pant to empty; no ice chest growing warm when the ice runs low; no spoiled food.

Installing an electric refrigerator is just like putting into your ice chest a cake of ice that never melts. Such an ideal arrangement no doubt was dreamed about long before manufacturers had developed electric refrigerators to the point where they would be always dependable and satisfactory. They have reached that point today, and electric refrigeration as it is enjoyed in homes all over the country is the sort of ideal service which we would wish for if there were opportunity to get it by just wishing for it.

It is easy to have electric refrigeration in any home where there is electricity. If the present ice-box is a satisfactory one, the cooling coils of the electric refrigerator can be placed in the regular ice compartment and the compressor will go in the basement or in some other convenient location.

Complete electric refrigerators can be purchased today in many attractive models and at comparatively low prices. With such a refrigerator, the cooling coils go in what corresponds to the compartment of an ordinary refrigerator, while the compressor is placed in the base of the cabinet.

The electric refrigerator today is quiet, entirely automatic in operation and thoroughly satisfactory in the service it renders.

One great advantage of the electric refrigerator is that it can be placed anywhere in the kitchen, pantry or entry-way. It can be built in with the pantry case or a set of cupboards and will be located where it will be handiest for the housewife.

RAIN BRINGS MANY MOTOR ACCIDENTS

Police and Hospital Attaches Kept Busy by Stream of Crashes.

TWO IN BALA SQUARE

The persistent rain which fell the early part of this week brought on a series of motor accidents, caused by skidding, that kept Lower Merion police and hospital authorities constantly busy. There were scores of minor accidents and over ten major ones where the results were serious.

Two accidents on two successive days occurred in the same block on the Bryn Mawr avenue hill in Bala. The first, on Tuesday, nearly resulted fatally.

Going to Hospital.

Martin Kearney, of Mil Creek Road, Ardmore, chauffeur for C. J. McIlvaine, Ardmore, was driving to the Bryn Mawr Hospital to visit his four-year-old daughter, who had suffered burns last week. When he attempted to swing his car to avoid a collision with another at the corner of Bryn Mawr and Union avenues, his machine skidded and smashed into the automobile of James Barrett, 35 Bryn Mawr avenue, which was parked in front of his home.

Shattered glass severed an artery in Kearney's wrist. Frank Barrett, who was attracted by the crash, gave first aid, applying a tourniquet to Kearney's arm. He then rushed him to the West Philadelphia Homeopathic Hospital, where physicians found the chauffeur in a serious condition from the loss of blood.

The second accident on the hill happened the following night, Wednesday, at 8.30 o'clock. A Ford delivery truck of the Media Pharmacy, parked on the hill above Union avenue, with motor running while a boy was making a delivery in a house nearby, slipped the rachet of its emergency brake and went into high gear. Its wheels guided by the curbing, the car proceeded down the hill 'all tilt, and at the intersection of Aberdale Road it crashed into a Ford sedan driven by H. Little, Bala taximan. Little saw the machine approaching but when he attempted to turn out of its way the engine in his own car stalled.

The taximan escaped injury, although the side of his sedan was staved in by the crash. The radiator and front fenders of the riderless delivery truck were smashed.

VIEW POLICE CANDIDATES

Candidates for appointment to the Lower Merion police force were considered last night at a special meeting of the Police Committee of the Lower Merion Commission held in the township building at Ardmore. The appointments which are to fill existing vacancies will probably be made at the next meeting of the Commission.

PLAN ANNUAL TILT OF RIVAL ALUMNI

Lower Merion and Radnor Grads May Scrap Again on Gridiron.

AT MONDAY'S MEETING

An annual football game between the alumni of Lower Merion High School and the alumni of Radnor High may become a reality if plans which are now under consideration mature. Influential graduates in both groups are in favor of the project.

First steps to line the Lower Merion alumni up behind the project will be taken Monday night when a meeting of the Board of Directors of the Alumni Association will be held at 8 P. M. in the Senior High School at Ardmore. The president of the Radnor Alumni is in favor of the game and will be on hand with other delegates from the Wayne graduate body to urge the adoption of the plan. The meeting will be open to any member of the Lower Merion Association who wishes to attend.

Lower Merion and Radnor are arch rivals of ancient standing and their annual contests on the gridiron always bring out the biggest crowd of the football season. It is felt that a game between the alumni of the two would also get a record turnout which would serve the two fold purposes of keeping interest of graduates alive in the associations and also would bring in increased revenue which is necessary to carry on the scholarship awards which are made annually to members of the graduating classes.

Definite plans have, of course, not yet been made for the game between the two graduate bodies. If the plan is approved, however, it is likely that the contest will be scheduled for the Saturday following the Lower Merion-Radnor tilt and will take the place of the battles which are usually waged on that date between teams representing the Alumni and the Varsity of the two schools.

In addition to the Lower Merion-Radnor alumni game, the directors Monday will also make plans for the concert which is usually given in the spring under the auspices of the association. Commissioner Frank P. K. Parker, of Gladwyne, is president of the Lower Merion Alumni.

WHY YOU "ATCH" COLDS

Common colds are infectious. It is true that almost everybody has cold germs in the mouth and nose, but these germs in every case are received from some other person. It depends upon body vitality whether or not these germs will produce a cold. The germs become active when the body is worn out or subjected to chills, and they are harmless and seldom produce colds when the body is in good condition.

Four Years of Storm—then Calm

Four years ago we took over this yard, firmly believing that a retail coal business could be conducted with dignity, character, and a kind of service that would meet every need of the customer.

In spite of four years of strikes and coal shortages, we built up an enlarging circle of customers who could see our good intentions shining through the obstacles in our path.

Now, for the first time, we foresee a year of calm, a year in which we shall be able to nourish more carefully those ideas of better service which were planted at the start. If they have grown in four years of strike-swept weather, certainly we may expect a gigantic expansion under the sunny skies of a calm.

EMBEZZLER SENTENCED

Judge Refuses Leniency Plea Because Man Had Family.

Norman C. Moore, former teller in the Ardmore National Bank, last Tuesday was sentenced to one year and a day in Atlanta Penitentiary by Federal Judge Thompson. Moore pleaded guilty to a charge of embezzling \$5050 from the bank. He received his sentence with an expression of relief. "I'm glad it's over," he said.

Judge Thompson declined to suspend sentence in answer to defense lawyers' plea that Moore, who has a wife and two children, might make restitution in six months. "The Court has no power to suspend sentence in such a case as this," the Judge said.

SEPTEMBER BOOK LIST

Includes Much of Novelty and Interest.

With so much of interest and importance in this book list, it is hard to single out any one or two as of most importance.

"Precious Bane" is a second copy procured because of the great demand for it. "The Book Nobody Knows" has been asked for repeatedly and is by that very talented young man, Bruce Barton. "Far End" and "Hilda Ware" will give the reader a chance to see how two wives react when their husbands fall in love with young and attractive secretaries. "Lavinia and the Devil" will keep one guessing, although not a mystery story. "Portia Marries" is by the wife of A. Hamilton Gibbs, one of the famous Gibbs brothers.

Locke, Canfield, Lincoln, Sabatini, Rinehart and others need no introduction. The complete list of books purchased by the Narberth Community Library during the month of September is as follows:

Non-Fiction.

"Book Nobody Knows"—Bruce Barton.
"Correspondence of Adams and Jefferson"—Paul Wiltach.
"Fruit of the Family Tree"—A. E. Wiggam.

Fiction.

"The Bat"—Mary Roberts Rinehart.
"Bellarion"—Sabatini.
"Big Mogul"—Joseph Lincoln.
"Blue Castle"—L. H. Montgomery.
"Charwoman's Shadow"—Lord Dunsany.

Miss Leslie Perkins, field captain of District No. 8, presented 22 troop advancement badges to Troop No. 44, of Ardmore, and 27 to Troop No. 131, of Wayne.

Demonstrations in archery were given by Malvern Troop, No. 104; in first aid by Cynwyd Troop, No. 94; in stretcher making by Ardmore Troop, No. 44; fire building by friction by Wayne Troop, No. 131; signaling by Narberth Troop, No. 8. The supper, which followed the over several seats by Jack Dempsey as he was leaving the ring after his defeat last Thursday night, M. J. La Roche, of 3729 Huey avenue, Drexel Hill, is planning to bring suit against the former heavyweight king.

Mrs. La Roche occupied a ring-side seat as the guest of Mrs. J. Weston Hibbs, of 16 Radcliffe road, Cynwyd, and was knocked over backward as were several other persons when Dempsey forced his way through the crowd, according to Mr. La Roche. Governor Pinchot was an eye witness to the accident, Mr. La Roche says, and will be called as a witness.

way's many attractions tonight, for the benefit of those who did not brave the elements last week.

There will be pony rides for children, horse racing for grown-ups and the usual chances on articles of every description. Blankets, Wilbur Buds, fitted overnight bags, dolls, electrical appliances, aluminum ware, flowers, plants and bulbs, groceries, home-made cakes and candies, fancy needlework, toys and other things too numerous to mention.

It is expected that the drawing of the grand prize, chances for which are now being sold, will take place tonight also. This, likewise, had been postponed from last week on account of the weather. The prize consists of a Ford touring car, and it is understood that there are other valuable prizes involved in the drawing.

A Radical Reduction in Price!

VASTLY increased demand for Frigidaire—vastly increased production facilities—these things have made possible startling reductions in Frigidaire prices. Today you can have genuine Frigidaire in your home at a cost lower than ever before. And you can pay for it on the convenient and economical terms of the General Motors deferred payment plan.

You need not discard your present ice-box! There is a Frigidaire mechanical unit priced as low as \$170 which will convert it into a genuine Frigidaire. And even this low price can be paid on the easiest of terms.

But remember—you can't expect to enjoy the dependability and economy and satisfaction of genuine Frigidaire unless your electric refrigerator is a genuine Frigidaire. No other electric refrigerator carries the backing and guarantee of General Motors. No other has the endorsement of over one-quarter million satisfied users.

All Frigidaire prices are reduced. Mechanical units as low as \$170. Or you can get a complete metal cabinet Frigidaire for as little as \$225.
